<p>Been working so hard</p>	<p>Been working so hard</p>	<p>Ninth Song</p>

I'm punching my card
Eight hours for what
Oh, tell me what I got

I've got this feeling
That times are holding me down
I'll hit the ceiling
Or else I'll tear up this town

Now I gotta cut loose, footloose
Kick off your Sunday shoes
Please, Louise, pull me off of my knees
Jack, get back, come on before we crack
Lose your blues, everybody cut footloose

You're playing so cool
Obeying every rule
Deep way down in your heart
You're burning yearning for some
Somebody to tell you
That life ain't passing you by
I'm trying to tell you
It will if you don't even try

You can fly if you'd only cut loose, footloose
Kick off your Sunday shoes
Oo-wee, Marie, shake it, shake it for me
Whoa, Milo, come on, come on let's go
Lose your blues, everybody cut footloose

Yeah, ooooh-oh-oh
(Cut footloose)
Yeah, ooooh-oh-oh
(Cut footloose)
Yeah, ooooh-oh-oh
(Cut footloose)
Ooooooooooh

You've got to turn me around

Berating my bard
Monarchy for what
Oh, tell me what I got

I've got this feeling
That times are holding me down
I'll hit the ceiling
Or else I'll tear up this town

Now I gotta cut loose, footloose
Kick off your kingly shoes
Please, serf-y, pull me off of my knees
Jack, get back, come on before I crack
Lose my blues, everybody cut footloose

I'm playing so cool
Obeying every rule
Deep way down in my heart
I'm burning yearning for some
Somebody to tell me
That life ain't passing me by
I'm trying to tell you
It will if I don't even try

I can fly if I'd only cut loose, footloose
Kick off my kingly shoes
Oo-wee, Marie, shake it, shake it for me
Whoa, My lord, come on, come on let's go
Lose my blues, everybody cut footloose

Yeah, ooooh-oh-oh
(Cut footloose)
Yeah, ooooh-oh-oh
(Cut footloose)
Yeah, ooooh-oh-oh
(Cut footloose)
Ooooooooooh

You've got to turn me around

Jitterbug into my brain goes a' bang bang bang till my feet do the same

If somethings bugging you
If something ain't right
My best friend told me what you did last night
Left me sheeting in my bed I was dreaming
But I should have been with you instead

Wake me up before you go-go
Don't leave me hanging on like a yo-yo
Wake me up before you go-go
I don't wanna miss it when you hit that high
Wake me up before you go-go
Cause I'm not planning on going solo
Wake me up before you go-go
Take me dancing tonight
I wanna hit that high
Yeah
Yeah

You put the grey skies outta my way
You make the sun shine brighter than Doris Day.
You turn a bright spark into a flame
My beats per minute never been the same

Cause you're my lady
I'm your fool
It makes me crazy
When you act so cruel
Come on baby
Lets not fight
We'll go dancing
Everything will be alright

Wake me up before you go-go
Don't leave me hanging on like a yo-yo
Wake me up before you go-go
I don't wanna miss it when you hit that high

Coronate into my brain goes a' bang bang bang till my feet do the same

If something's bugging you
If something ain't right
My best friend told me what he did last night
Left him bleeding from his head I was dreaming
But I should have been with him instead

Wake me up before you go-go
Don't leave me hanging on like a yo-yo
Wake me up before you go-go
I don't wanna miss it when WE hit that high
Wake me up before you go-go
Cause I'm not planning on going solo
Wake me up before you go-go
Take me dancing tonight
I wanna hit that high
Yeah
Yeah

You knock the grey matter outta my brain
You make the dark nights dimmer than rainy days
You turn a bright spark into a flame
Zip beats per minute never been the same

Cause you're my king now
You're no fool
It makes me crazy
When theyd act so cruel
Come on friends
Lets not fight
We'll go dancing
Everything will be alright

Wake me up before you go-go
Don't leave me hanging on like a yo-yo
Wake me up before you go-go
I don't wanna miss it when we hit that high
